

Autofocus/Motorzoom bullet camera

ExCam® IPQ1785

Full HD resolution meets powerful motorized zoom/autofocus lens

The ExCam IPQ1785 is a powerful IP-camera, designed for use in hazardous areas, optional with windshield wiper. It offers HDTV resolution and powerful motorized zoom autofocus lens. You can find more information in the download area on the [product page](#).

Broad certification landscape - diverse areas of application

The ExCam IPQ1785 is certified in accordance with both the European (ATEX) and international (IECEX) directives. The explosion-proof housing is approved for ATEX group II (gas and dust) for zones 1, 2 as well as 21 and 22 including explosion groups IIC / IIIC. It also has INMETRO, MASC, UKEX and other approvals. More information on our [data sheet](#).

When is the ExCam IPQ1785 the right choice?

Is your camera exposed to all weather conditions, but you need a clear view at all times?

With our ExCam version with windshield wipers, this is no problem.

Optionally, up to 4 cameras can be connected to a supply unit with cleaning fluid (smart.Cleaner).

Network cameras and video encoders can be accessed and configured remotely by multiple authorized users worldwide.

In arctic temperatures, built-in heaters keep the camera ice-free (optional).
